*Here's a Floor
that lasts
a Lifetime,*

The Colours go right through to the back of— Dominion Inlaid Linoleum

A BEAUTIFUL floor that stays beautiful because you cannot wear its pattern out! That's what Dominion Inlaid Linoleum, now made in Canada, offers—the very floor you have been waiting for and can now buy—without paying high prices for imported goods.

Dominion Inlaid Linoleum comes in a wide range of attractive designs from which it is easy to develop delightful room treatments.

Durable, lustrous, artistic, this fine floor covering presents a smooth, firm, easy to clean surface, comfortable to walk on and good to look at. Its high-polish finish and rich tones form an ideal background for two or three rugs.

Dominion Inlaid Linoleum is suitable for use even in the home. It is made in Canada by the makers of the famous Dominion Bathing Linoleum.

FADA Radio

Reception
so clear it's
like having
the Artist
in
Your Home

There is a Fada model for every price and every taste, prices and size from \$25 to \$100.

Illustrated on the left is the beautiful Fada Cabinet which sells at \$100. Below is the Fada Cabinet at \$25.

To engage artists for the entertainment of one's friends, was once the privilege of only the wealthy. The advent of radio, however, enabled every home to share this pleasure.

By installing a Fada today, you provide the finest of musical entertainments for your family and their friends. With a Fada you may select sections after station clear across the continent with marvellous precision. Clear, perfect reproduction of music and speech—ample volume—for all the world as though you had the artist in your own home.

You may purchase a Fada with reasonable assurance that no essential changes in radio invention for years to come will render it obsolete or less desirable. See a Fada dealer today. Choose from a wonderful range of beautiful cabinet models and arrange for a demonstration.
